September is Alabaster
Month
What is Alabaster?

The Alabaster Offering provides funds for property and buildings around the world. While we understand the church consists of the people of God and not a building, buildings erected for the purpose of ministry help provide a sense of permanence, functionally enhance ministry efforts, and convey an attitude that the Church of the Nazarene intends to "put down roots."

Alabaster funds are used to provide places where people worship, heal, learn, and where missionaries live.
