February Scripture

**Beloved, if God so loved us, we
also ought to love one another**
1 John 4:11 NKJV

February is Alabaster Month

The Alabaster Offering provides funds for property and buildings around the world. While we understand the church consists of the people of God and not a building, buildings erected for the purpose of ministry help provide a sense of permanence, functionally enhance ministry efforts, and convey an attitude that the Church of the Nazarene intends to "put down roots".

Use of Alabaster Funds

- Purchase a property or church building
- Purchase or build a church parsonage
- Build a church building
- Conversion of a property into a church gathering space
- Meet initial costs for renting a church meeting space for a limited period of time

Building for the Future: Our Church Building Campaign

God has been faithful to our church, and we believe He is calling us to prepare for the next season of ministry. Our Building Campaign is about more than bricks and mortar--it's about creating space for people to encounter Jesus, grow in faith, and serve our community.

Building Campaign Progress and Goals

Our building campaign is helping us improve our facilities to better serve our church family and community.

Current goals include:

- New exterior doors in the Fellowship Hall to improve accessibility and flow.
- A new staircase and doors to provide safe access to newly created storage areas.
- New carpet throughout key areas to refresh and enhance our shared spaces.

Our goal: To move forward together in faith by prayerfully giving above and beyond our regular tithes so we can complete this work with excellence and integrity.

How you can be involved:

- **PRAY** for wisdom, unity, and provision
- **GIVE** as God leads--every gift matters
- **STAY INFORMED** as we share progress and next steps in the weeks and months ahead

Let us trust the Lord as we build not just a building, but a lasting place for ministry, mission, and lives to be changed.

We wish to inform all attendees that our church service is being live-streamed to a broader online audience.

By participating in today's service, there is a possibility you could appear on the live video
